TESTIMONIALS

A source of income at home...

I started my own phonics classes for children! It's running quite well. The phonics certification from VES has provided me with a source of income without having to go out of home. I am happy!

Teaching method improved...

I am a pre - school teacher. The certification programme has improved my language teaching skills. I now know the correct method to teach reading, writing, spelling as well as the correct pronunciations. All credit to VES's Phonics Teacher Training programme !!

Thanks to the Trainer...

The trainer was so knowledgeable and highly energetic. She made the sessions interesting as well as kept encouraging us. I clearly understood everything only because of her explanation. All thanks to her and VES !
